100th Day of School

As you are aware, we celebrated the 100th day of school this year with a non-uniform day to raise money towards sending a child to school in Malawi. Thank you for helping us raise £305.00, which we will soon be sending out to a family in Malawi who have 7 children. It currently costs about £130 per term to send a child to school in Malawi. Hopefully we will receive more information about the child we have supported which we can share with you.

Well done!

Congratulations to Charlotte, Ellie, Robert and Uel from P7 who represented the school in the NI Primary Road

Safety Quiz. They were awarded 3rd place in the Armagh, Banbridge & Craigavon Borough Council.

We are also very proud of Samuel Stephenson for reaching the N.I. Primary School's Cross-Country Final. Impressively, Samuel was placed 42nd out of 251 P6 & P7 boys! Photographs of both these events are on the school website.

Science Week

The P5/6 and P7 classes will be taking part in Science week with a visit to the Navan Centre on Friday, 9th March. The cost per pupil is £5.00

Bryson Energy

The P5, P6 and P7 classes will be having a visit from Bryson House on Energy on Monday, 5th March.

Bible Explorers

The P5/6 and P7 classes were pleased to have Mrs Jenny McCullough return last week to continue the Bible Explorers programme they commenced in the autumn term. Having spent 5 Friday mornings journeying through the Old Testament, the pupils will now spend 4 weeks finding out about key events in the New Testament.
