## **100<sup>th</sup> Day of School**

As you are aware, we celebrated the 100<sup>th</sup> day of school this year with a non-uniform day to raise money towards sending a child to school in Malawi. Thank you for helping us raise £305.00, which we will soon be sending out to a family in Malawi who have 7 children. It currently costs about £130 per term to send a child to school in Malawi. Hopefully we will receive more information about the child we have supported which we can share with you.

## **Well done!**

Congratulations to Charlotte, Ellie, Robert and Uel from P7 who represented the school in the NI Primary Road

Safety Quiz. They were awarded 3<sup>rd</sup> place in the Armagh, Banbridge & Craigavon Borough Council.

We are also very proud of Samuel Stephenson for reaching the N.I. Primary School's Cross-Country Final. Impressively, Samuel was placed 42<sup>nd</sup> out of 251 P6 & P7 boys! Photographs of both these events are on the school website.

## **Science Week**

The P5/6 and P7 classes will be taking part in Science week with a visit to the Navan Centre on Friday, 9<sup>th</sup> March. The cost per pupil is £5.00

## **Bible Explorers**

The P5/6 and P7 classes were pleased to have Mrs Jenny McCullough return last week to continue the Bible Explorers programme they commenced in the autumn term. Having spent 5 Friday mornings journeying through the Old Testament, the pupils will now spend 4 weeks finding out about key events in the New Testament.
